SIER/2024-25/109

College Development committee

Objectives

- To prepare an overall comprehensive development plan of the college regarding academic, administrative and infrastructural growth, and enable college to foster excellence in curricular, co-curricular and extracurricular activities
- To decide about the overall teaching programmers or annual calendar of the college
- To recommend to the management about introducing new academic courses and the creation of additional teaching and administrative posts;
- To take review of the self-financing courses in the college & make recommendations for their improvement;
- To make specific recommendations to the management to encourage and strengthen research culture, consultancy and extension activities in the college;
- To provide community based out-reach services through extension activities.
- To make specific recommendations to the management to foster academic collaborations to strengthen teaching and research;
- To make specific recommendations to the management to encourage the use of information and communication technology in teaching and learning process;
- To make specific recommendations regarding the improvement in teaching and suitable training programmes for the employees of the college;
- To prepare the annual financial estimates (budget) and financial statements of the college or institution and recommend the same to the management for approval;
